# RICHARD RAWLINGS

Richard Rawlings, a native of Fort Worth, Texas, followed in his dad's footsteps and developed a passion for cars from an early age, building cars and attending car shows with him. The earliest photograph of Richard, aside from his infant years, is of him sitting in a Volkswagen Beetle pedal car. Richard bought his first car when he was 14 years old: a Green '74 Mercury Comet. By the time he hit his senior year in high school, he was already on his third car: a '77 Bandit Trans Am. Richard says he has always worked just so he could have cars. He even took a bullet in the early 90's as he fought off a carjacker who was trying to steal his '65 Mustang 2+2 Fastback.

Richard Rawlings' Garage gives you a look under the hood at his love for gears and grub. Specializing in revved up twists on American classics, including burgers, sandwiches, braised brisket and beer. At Richard Rawlings' Garage, made from scratch food comes standard. It's all in the details.
